A Word from the RE

Although the 2008 season is at full throttle and the BOD is still working on special events for this year. Unfortunately we have bad news regarding the Parkersburg event. Davis Powers was working very hard to secure the site for us but the airport cannot afford to shut down the runways for us this year due to an air show already planned for this summer.

We also have "better" news as Brad Spurlock and Dan Whiteman are talking to officials at Elkins Airport and Yeager Airport to secure a date for a possible event(s) on those sites. As soon as the dates are finalized they will be published in *Rich Mixture* and the SWVR forums.
